Customised target group

Quantity • Ø 400 pre-selected participants

Stage of life • students in the upper school

high school graduates and specialised high

school graduates

average grade point average in the last re-

port card: 2.0

Valuable contacts

Quality

- ✓ High quality of applicants
- ✔ Pre-registered participants
- ✓ Intensive preparation of the students
- ✔ Pre-selection by e-fellows.net
- Contact possibility with all applicants

Focus on candidate quality

e-fellows.net was born out of the question of how companies can secure young academic talent in the long term.

Today, we have the largest pool of top talent with around 60,000 students, 175,000 professionals and 5,000 pupils. They are among the top 50 percent of their year groups and subjects. We currently support around 30,000 top-of-class students with our own scholarship, primarily in business, law and STEM subjects.

Our portfolio includes over 60 digital recruiting and employer branding measures, events and books. Every year, around 180 companies and 170 (inter)national universities recruit from our talent pool.

Exemplary programme

9:00 – 10:30 am Construction of individual roll-ups and

material on a small scale (furniture and electricity are available)

10:30 am - 3:00 pm Presentations in separate rooms

(20 minutes each)

11:00 am - 3:00 pm Stand area

3 pm End of the event
3 – 5 pm Stand dismantling

Little effort for an intensive format

The limited number of exhibitors (max. 25) in combination with a coordinated supporting programme and prepared participants enable you to make significantly more intensive contacts than at normal career fairs. You have enough time for an initial consultation with all interested parties and therefore generally have more success in attracting students than at mass events.

At the same time, you only need two to three university representatives and can dispense with elaborate stand construction - a roll-up and a few goodies are all you need. We provide all the furniture.

All services, prices and booking deadlines can be found on the next page in the **booking form.**
